About Your Pastor and Parish Ministers:

Notify your pastor when the retreat date is near. ***One of our major goals during the retreat is to explain how important it is to be active in the parish and its ministry. Make sure to:***

1. Ask the pastor for names of new people or groups you can invite to the retreat.
2. Ask the pastor/spiritual leader to give a personal endorsement of the retreat from the pulpit.
3. Make sure to post the information in the parish bulletin *two months* before the retreat.
4. Also, invite the pastor for Friday evening dinner to enjoy a meal with his parishioners! (Dinner is around 6:15 pm but **please be sure to notify us in advance.**)

Please contact the office if you need more registration sheets or brochures! Office hours are Monday-Friday 8-4pm but we can also be reached at ashore@snows.org or grichards@snows.org.

THANK YOU for your interest and dedication. We look forward to seeing you!
